Yes We Must Raise It!

There are two kinds of people--Those
who are always getting ready to do
something, and those who go ahead
and do it.

15 to 35 per cent
Discount

Always newest dependable merchandise at
prices that cannot be beaten

You want the man who goes ahead and does it. An unparalleled action, and at the very time when the demand for dry goods is the greatest we have taken the radical step of marking down our entire stock to prices that are much lower than prevailing values in Dry Goods, Clothing, Shoes, Ladies Suits, Coats, Dresses, Hats, Skirts, etc., of as good quality as at any store in the south.

A loss in profit will come sooner or later. We will take ours now and give you the full benefit.
